It may be recalled that last week within 24 hours, after few women defected back to TMC from BJP, the TMC leaders had reportedly asked them to perform 'dandavat parikrama' to wash away their sins for joining BJP.

Following this the saffron camp has been extremely 'critical' against the ruling party. The BJP state president had also written a letter to the President Droupadi Murmu. The ruling TMC also criticized those behind such an act.

Meanwhile, the Adivashis in Balurghat were also seen taking out agitation rallies with their traditional weapons demanding strict action against those who have 'forced' the tribal women to perform the parikrama.
