NCST summons DC over 'unlawful' purchase of tribals' land by private firm in Maharashtra's Jalgaon

Updated: Jan 30 2023 10:30PM

New Delhi, Jan 30 (PTI) The National Commission for Scheduled Tribes has summoned the district collector of Maharashtra's Jalgaon in connection with a complaint alleging unlawful purchase of tribals' land by a private company.

The NCST has asked Jalgaon District Collector Aman Mittal to appear before it in person on February 3 with all the documents related to the matter as he failed to submit an action taken report sought by the statutory body earlier in the matter.

According to reports, the complaint, filed by Vishal K Valvi, alleged that certain people forged documents and submitted an application to the Revenue and Forest Department in 2019 seeking permission for the sale of land which belongs to some members of the Bhil tribe living in Jalgaon's Shirsoli village.
